City Hotel, a 4 star superior contemporary city hotel, is a landmark for the city of Thessaloniki due to its neuralgic position right at the heart of the cultural, entrepreneurial and recreative activity of the second largest city of Greece. Its location at the center of the historical city just off Tsimiski, the fashionable shopping street, in conjunction with the discreet luxury of the 125 renovated spacious rooms have established it as a dominant choice for both businessmen & tourists. The wealth of its facilities (satellite TV, cable TV, American & Mediterranean breakfast buffet, mini bar, tea & coffee facilities, room service, lunch & dinner brasserie, Greek & international press) including the technologically advanced conferences room that regularly hosts business meetings, training seminars, samplings, private & board meetings for up to 100 people are only a few of the reasons that justify the selection criteria of about 50.000 guests every year.

We would also like to inform you about our new facility, the first **Elemis Spa** in our Town. A unique place for relaxation for both men and women. Our Central Spa is located in the hart of the city and it contains gym, hamam, solarium, relax room, manicure και pedicure reception, and also two rooms for facial therapy and massage.
